We're striking out here, but also no go on the 70<sup>th</sup> floor. The noise from the people going down the slide and the fact that they can hear our meeting will be too distracting. FYI - both Martha and Carol will be at the IDA conference and will not be at this meeting, so it'll be Martha running the entire Exec. I'm leery of having a noise situation like at the BLOC, and I'd rather be safe than sorry. Can you ask Stephanie if they have another floor they can host us on?
